  - b. An erroneous citation was given to the student.
  - c. A student receives a “No Campus Permit” violation and was parked in the appropriate lot according to the student’s MTSU issued decal.
- C. A student can have up to three (3) citations voided for an alleged violation of “No Campus Permit” and parked in a lot denoted for students (Green) per semester by the Parking Services Office. If the citation is taken to the Parking Services Office within seven (7) days of receiving the citation, the citation will be taken off of the student’s account and an appeal is not necessary. However, if the student is unable to take the citation(s) to Parking Services within the seven (7) day time frame, an appeal to the Attorney General within fifteen (15) calendar days of the citation issuance will be necessary in order for the citation(s) to be taken off of the student’s account. - F. Students are not required to attend a hearing for their appeal to be processed. The same standards and decision-making requirements are applied with or without a hearing. If the hearing is waived, the decision is made solely by the Attorney General based off the information provided by the student in the online appeal.
- G. Students may provide pictures or other documentation as evidence of an emergency or erroneous citation to further prove their case.
- H. Students may pay their citations in order to remove the hold from their account before the appeal is made or before an appeal decision is made. Paying the citation is not an admittance of guilt, and if the student is found to not be responsible for the citation, the student's account will be reimbursed the amount of the citation.
- I. The Attorney General may refer any appeal to the Student Judicial Board for any reason, even if the student chose to waive their hearing. However, the student is not required to attend the hearing.
- J. If a student chooses to have a hearing and fails to appear for that hearing, then the appeal is automatically denied.
