

Banner Competition

This year, we are bringing back an old tradition of doing a banner competition! Each organization will be able to decorate a banner to hang on the side of Floyd Stadium to be appreciated throughout the week of Homecoming. Fans will be able to see the banners on gameday as well. This is an excellent opportunity to get involved if your organization has crafty members and a lot of Blue Raider spirit. The rules for this event are as follows:

1. The entry form must be completed before 12:00 PM on September 10.
2. Banners will be due to Student Union 306 (Student Government Association Office) no later than 4:00 PM on Friday September 12th for judging. Banners will be hung starting Saturday September 13th for viewing.
3. Organizations are encouraged to sign up for this event individually, but collaborations are always welcome!
4. Due to the area where the banners can be hung, we can only have 40 banners. This means that entry form submissions will be first come first served. If there are more than 40 submissions, the organizations who submitted last will be contacted.
5. The banner can not exceed the dimensions of a twin size flat sheet 66" by 96". If you have any questions regarding size, please contact sga.home@mtsu.edu.
6. The Homecoming Committee will provide the grommets and zip ties needed to hang the banner.

Design Specifications:

1. The banner must include your organization(s) name so we know who to assign points to.
2. When designing, please note that 6-8 grommets will need to be added to hang the banner.
3. Please refer to the sample picture provided to get a visual.
